

## UNION LABOR IS ISSUE IN FIGHT ON UNDERWOOD

BIRMINGHAM, Ala., March 26.—The union labor issue was formally injected today into the campaign for the seat of Senator Underwood with the announcement of L. B. McGraw, of Jasper, that he is seeking the nomination with the endorsement of all labor unions in the state. Mr. McGraw in a speech here last night also declared he has the support of farmers' organizations and the Anti-Saloon league.

A committee of 25 dry leaders has issued a statement calling for the elimination of Judge Samuel R. Weakley, of Birmingham, third candidate in order that all members of the league may be lined up behind McGraw. This action was taken after formal announcement had been made by the Anti-Saloon league that it would not enter actively into the campaign.

Judge Weakley's friends have not taken kindly to the suggestion that he withdraw and reports of a split in the league vote are current here.

## DENY MINERS WILL STRIKE ON APRIL 1

KNOXVILLE, Tenn., March 26.—Reports that Tennessee coal miners would strike April 1, simultaneously with the relinquishment of federal control, to force their original demands for a 60 per cent wage increase partially granted were emphatically denied last night by H. A. Keller, president of the United Mine Workers of America, district 15, with headquarters at Jellico. He declared the report to be absolutely false and without foundation and that the miners of Tennessee and Kentucky expected to abide by the federal award.

## WOMAN WILL PLEAD GUILTY OF ROBBING BANK

COLUMBUS, Ga., March 26.—Mrs. Kittle Ford, wife of Rufus Ford, has been indicted in connection with the robbery of the Phoenix-Guard bank at Girard, Ala., it became known when she was arrested yesterday.

Mrs. Ford was placed in jail at Troy, Ala., to await trial. Seven others, including Ford, and Mr. and Mrs. Roy Dickerson, also are under indictment. Mrs. Dickerson is in jail, but Dickerson escaped shortly after being arrested in San Francisco, Mrs. Dickerson, according to officials, said she would enter a plea of guilty and hoped her husband would return and give him self up.

## NEW PHASE OPENED. BY BONILLAS ENTRY

His Election Would Promote Better Feeling.

WASHINGTON, March 26.—The reception accorded Ambassador Ygnacio Bonillas on his arrival recently in Mexico City from the United States and his formal acceptance of the nomination for the presidency on the civilista ticket opens a new phase in the political campaign now in full swing in Mexico. The elections will be held July 4. Mr. Bonillas will have the support of President Carranza against Gen. Alvaro Obregon, another leading candidate.

The first effect of Bonillas' entrance into the campaign apparently has been to lessen the chances of Gen. Pablo Gonzalez, formerly head of the military establishment in the federal district and at one time Carranza's candidate for the presidency. Mr. Bonillas will meet the desire of a large element which wishes to be relieved of the domination of the army. As to his position on foreign affairs, it is believed that his long residence in this country where he received his education and his experience in the embassy, have made him familiar with American views and given him an understanding of this country's attitude in pan-American affairs.

Gen. Obregon will have the support of revolutionary leaders, including Francisco Villa, according to reports. Rattling another revolution, which many Mexicans openly profess as a result of the elections, officials here believe that whichever way the election goes an era of better understanding between this country and Mexico will result.
